

Section 3 – External Auditor Report and Certificate 2020/21

In respect of

MALMESBURY TOWN COUNCIL – WI0154

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

2 External auditor report 2020/21

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

The AGAR was not accurately completed before submission for review. The AGAR had to be sent back for amendment to Boxes 6 and 7.

The annual internal audit report focuses on a series of internal control objectives covering an authority's key financial and accounting systems and concludes whether, in all significant respects, the internal control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of the authority. We note that the internal auditor has not provided a conclusion on the following internal control objectives: K, L, M, N and O or an adequate explanation where no responses were given. Although K and L are not applicable to the authority, the annual internal audit report including the responses to M, N and O will inform the authority's response to assertions 2 and 6 in the annual governance statement. As a result, the authority must ensure that assurance that has not been provided via these control objectives has been sought elsewhere.

The authority has received £2,195 in respect of insurance claims and £560 in respect of a refund. No response was received from the clerk on this matter making it difficult to determine whether this income should have been netted against relevant expenses. Whilst the Practitioners' Guide is silent on the matter, it is our view that the true cost to the authority should be shown on a net basis. Accounting on a gross basis inflates the gross income and gross expenditure of the authority and can push the authority into a higher fee band than it would otherwise be in.

3 External auditor certificate 2020/21

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2021.
