

Malmesbury Town Council
Our Service Standards
Approved 12th March 2013

We always try to improve the way we communicate with you. We are committed to meeting the needs of Councillors, staff and members of the public in a professional way and have created these standards to help us do this. We expect our Councillors and staff to meet these standards for communication not just with the public but also within the Council.

Our contact standards

We will

- greet you, whether in person or on the phone, in a polite and friendly way;
- give you our full attention and make sure that any communication is open, honest and as clearly worded as possible;
- give you clear and helpful information about our services and those provided by other local government organisations;
- review the ways our customers can get in touch with us so all our services can be used by everyone; and
- make sure that we keep any personal information we collect safe and use it only for Council purposes.

Our phone standards

- During our office opening hours, we aim to answer phone calls within 40 seconds, and introduce ourselves as Malmesbury Town Council.
- We will try to reduce the number of times your call is transferred. If no one is available to help you, we will take your details and make sure you are contacted about your enquiry as soon as possible.
- If we can't help you, we will do our best to put you in touch with an organisation that can.

Our written standards

We will

- let you know we have received your letter, email or fax within two working days;
- send you a full response within 20 working days, or contact you to explain the reason for any delay and let you know when you can expect a full response;
- give you the contact details of the person who will be dealing with your enquiry;
- reply to you in plain English; and
- respect your privacy. Your personal data will not be disclosed to a third party without your permission unless we are legally obliged to do so.

Meetings

We will

- arrive on time
- if unable to attend let you know why as soon as possible
- postpone the meeting only with the agreement of all those involved
