Issue Details

Location of Issue:	Parklands, Malmesbury
Community Area:	Malmesbury
Parish or Town Council:	Malmesbury
Nature of Issue: (Max 600 characters) Over the last year I have noticed more large heavy goods vehicles passing my house. A recent traffic surveys results showed up to 50 large vehicles on this section of road a day. I believe the designated HGV route for the town is via Sherston road, Bristol Street up to The Triangle then down Gloucester Road. As residents park their cars along the road edge it sometimes means that the HGV's have to mount the pavement to get by, this has damaged the curb stones at different points along the road. I believe some HGV's do not have the correct vehicle guidance system to keep them on the designated route.	
How long has it been an issue?	12 to 18 Months
What would you like done to resolve this issue? (Max 600 characters) I would like signage placed at the end of Parklands on the approach from Sherston and at the approach to Park Road to ensure these vehicles or warned of the correct route to take.	
Have you been in touch with your local Wiltshire Councillor? (Yes/No) Yes <input type="checkbox"/> No <input type="checkbox"/> Use drop down box	

*This form needs to be completed and e-mailed or sent to your local Town or Parish Council.
