Issue Details

Location of Issue:	Market Lane, Malmesbury
Community Area:	Malmesbury
Parish or Town Council:	Malmesbury
Nature of Issue: (Max 600 characters) Market Lane has for as long as know been bollarded at the Cross Hayes end and has a no entry sign at the Oxford Street end, yet vehicle drivers regularly use as a parking area for loading/unloading. This inevitably means it makes it difficult for pedestrians to pass.	
How long has it been an issue?	Many Years
What would you like done to resolve this issue? (Max 600 characters) It would be nice if this lane could be designated as a pedestrian area (if not already done), and the no entry sign taken down and bollards placed in their place to prevent vehicles using in future.	
Have you been in touch with your local Wiltshire Councillor? (Yes/No) Use drop down box
