The Clerk reported that the work at Abbey Bridge in Mill Lane is still being progressed and is awaiting information from the contractor. It was also noted that the other side of the

footpath is particularly dangerous and that the Clerk should find out ownership of the land to get the fence repaired leading down to the river.

**P&E/21/70 To consider footpath audit of all footpaths in the Town and how this could be managed (report CM)**

It was resolved that as information from the Cllr who requested this item was unforthcoming for the report to be collated, this discussion would be deferred to a future meeting at which the report will have been circulated well in advance for members to consider.

**P&E/21/71 To consider MTC response to Public Bus Network Survey**

Following discussion it was agreed that the committee would not make a submission as the Council but that the Chair would write a letter to the MCAN to explain its position.

**P&E/21/72 To consider Housing Figures Review (report Cllr P Exton)**

The proposals in the report were accepted by members with the alteration of the word 'adopt' to 'note'.
