

Additional River Walk Signage

1. Purpose of the Report

- 1.1 To notify the Committee that the homeowner of one of the proposed sites for signage has agreed for the River Walk sign to be positioned on their wall.

2. Background

- 2.1 It has been brought to the Committee previously to agree to purchase and site two signs for the River walk in Burnivale.
- 2.2 An example of signage recently used for the new public toilets;

- 2.3 Two signs were suggested, one at the bottom of Betty Geezers Steps and another on the wall by the Maltings with the wording "River Walk" & a directional arrow.

3. Financial implications and risks

- 3.1 The total cost of a 300mm x 100mm slate sign will be £52.68 each including delivery.

4. Proposal

- 4.1 Members consider the report and confirm expenditure or otherwise.
